Project Description

Contemporary and Art Deco inspired apartments in the heart of Brixton.

Experience the buzz of Brixton from this fantastically located development, with a vibrant array of bars, restaurants, live music venues, parks and transport links all nearby. Brixton Centric is a regeneration project which will deliver 72 new homes, as well as improvements to the public realm.

Key points

Brook House apartments now all SOLD!

Ivor House - Ready and Available to Move In

IVOR HOUSE

Ivor House is perfectly positioned to offer the culture and artistic heritage from Brixton town centre, whilst having convenient transport links to The City and West End. Only 2 bedroom apartments remain and all are ready for immediate occupation.

Features

Eat hipster-style in Brixton Village, See iconic gigs at Brixton Academy (O2) and downstairs in Brixton Electric. Go out big at the POW, JAMM and Hootananny. Meet friends at the Effra Social and Duke of Edinburgh's gorgeous garden. Spend your days surrounded by the expansive views and greenery of Brockwell Park. Everything's accessible by foot, and just like Brixton's most famous avenue — Electric.
