

Chatham Square, Reading

Project Description

All sold out!

Ideally positioned in the heart of Reading, Chatham Square is an exclusive development of 45 apartments situated in the south side tower, part of the Chatham Place development.

Chatham Square redefines modern, elegant living with 1, 2 and 3 bedroom apartments that are thoughtfully laid out and well built around a modern, relaxing communal garden and courtyard.

Inside and outside the apartments, care has been taken to create an environment that is relaxed, safe and secure. The communal garden and courtyard providing that unique outdoor space hard to find within Reading town centre.

Key points

Chatham Square provides the perfect blend of forward thinking architecture, modern building techniques and contemporary garden design to create an ideal living environment.
