Enhancing communities

The performance venue has created a new cultural destination for the town, offering a wide-ranging programme of events and activities.

Improving The Environment

The BREEAM Excellent civic offices have been designed to be highly sustainable, providing low running costs and reducing carbon emissions by up to 32%.

Working Together With Our Supply Chain

The CCQ is part of a wider renaissance plan to regenerate Doncaster, complementing improvements already under way on the Waterfront, Frenchgate and Lakeside and creating more than 1,500 permanent jobs.
