Project Description

Call now to register your details

All homes at Vimto Gardens have now sold but to register for future phases please call 0161 300 8546 or email sales@vimtogardens.co.uk

Vimto was once produced only 400 metres away from the new development, but they have now moved away from Chapel Street and have left behind an iconic brand, with its contemporary and cool style, giving its lovers something a bit unexpected and quirky.

Mr John Nichols, the inventor of Vimto, was a firm believer in a continuous improvement and this development is a true reflection of that very sentiment.

Vimto Gardens features 83 apartments and 14 town houses
