### Project Description

#### **Now All Sold!!!**

The two phases of Vivo Northshore were a groundbreaking success – and have helped to transform the historic maritime port of Stockton-on-Tees.

With stunning modern homes in a unique, tranquil riverside location, it's a development that challenged traditional styles of housing to create a new concept of modern urban living.

### Key points

The best of both worlds - Vivo in Stockton-on-Tees lets you enjoy the tranquility of riverside living with easy access to the town centre to enjoy many bars, restaurants and leisure facilities.
