Muse shortlisted for three Insider Yorkshire Awards

Muse has been shortlisted in an impressive three categories in this year's Insider Yorkshire Property Awards.

The prestigious event in September attracts hundreds from across the property industry to celebrate the achievements of the region.

Muse's flagship logistics development, Logic Leeds, has been shortlisted for Deal of the Year, following a forward funding deal with Aberdeen Standard Investments for a 361,000 sq ft unit pre-let to a global occupier. The scheme was also shortlisted for Development of the Year due to the sheer scale of activity currently on site.

Muse is also a finalist for the highly coveted Developer of the Year title, following its work on schemes across the region, particularly in Doncaster, Leeds, Wakefield and Rotherham.

David Wells, regional director at Muse, said: "The Insider Yorkshire Property Industry Awards are highly regarded throughout the region, so it's great to be shortlisted in no less than three categories.

"We'll be looking to defend our Developer of the Year title, as well as hopefully scooping an award for our Logic Leeds scheme."

The winners will be announced at an awards ceremony at New Dock Hall in Leeds on 19 September.
